PROFESSIONAL EXPERIENCE

Web Developer May 2025 - Dec 2025
RC Studio | Remote

- Built the Next.js, React, and TypeScript frontend of the BridgewayDMC Tourist Package Management System, a private internal platform for a Manila-based tourism company
- Used Figma and Tailwind CSS to help shape the UI/UX, turning layouts into responsive, mobile-first interfaces
- Converted designs into fast, production-ready React interfaces for client projects
- Integrated REST APIs and AI features into client web projects

Independent Web Developer Jun 2024 - Present
Freelance / Self-Employed | Remote

- Use Next.js, TypeScript, and Vercel to design and build full projects end-to-end, from idea and UI design to deployment
- Build and test AI features with the Claude API, Groq, Whisper, and Tesseract OCR, including LLM chatbots, offline voice input, and receipt OCR
- Used Docker to run local services in containers, keeping development and testing setups consistent across projects
- Shipped Paluwagan, an Expo / React Native app on Supabase now in open beta, and Casidar Gadgets, a live website for a local gadget shop

SELECTED PROJECTS

- Paluwagan - Savings Circle App: Expo / React Native app for Filipino savings groups, in open beta. Online and offline circles, a provably fair SHA-256 commit-reveal payout draw, auto-reminders, and Ipon AI (Claude API) via Supabase Edge Functions
- Casidar Gadgets - Client Website: Live site for a family iPhone and iPad shop in Antipolo and Cainta, with a request builder that turns a customer's picks into a ready-to-send inquiry or pre-order via Messenger, SMS, Viber, or email
- BaonBuddy - AI Budget Tracker App: Allowance tracker for Filipino students that logs expenses by typing, speaking, or scanning a receipt, with offline Whisper speech-to-text, Tesseract OCR, and Taglish tips from a local LLM
- Developer Portfolio & Anzyy AI Assistant: Portfolio with case studies and a bilingual (English/Filipino) AI chat assistant grounded in the site's content, with rate limiting, an offline fallback, and SEO
